Annual Report For The Year 2020-21

INTRODUCTION:

The Annual Report for 2020-2021 is presented to the wider community of G D Goenkan Public School as an account of school's operations and achievements throughout the year. This year has been a year of challenges due to Covid-19 in the Valley which was already hit by Abrogation of Article 370. The virtual platform became our new workplace with new challenges in 2G Mode. Our teachers and staff were given the required trainings to understand the new mode of education so that the student-teacher interaction becomes accessible and smooth.

Our OASIS Details and Website information covers all details of infrastructure, academic calendar and staff statement. All special efforts made in the field of Environmental sensitivity, sports and physical education, innovations and events are periodically updated in the schools YouTube channel and the website.

The Opening Day of School in 2020:

The school reopened after the winter vacations as per the instructions of Director School Education (DSEK) in the latter half of February. The first day was observed as 'Welcome Day' for students with new hopes and dreams after long closure of the school.

Students were seen very happy while coming to the school after long winter break. It was the day of a reunion for the Goenkan family. However, soon the Govt. ordered the closure of schools from 18th March 2020 due to Global Pandemic. This period witnessed to intensive professional development program and it helped all to embrace the online mode of schooling effectively.

Academic Overview:

The physical classroom teaching and learning gave way to a new norm of work, the online mode. The Kashmir had been facing the restricted 2G connectivity. With no time lapse, our team switched over to DU recorded easily downloadable lessons uploaded on a daily basis. From April 2020, our team introduced the audio video lessons along with the regular DU Recorded uploads in YouTube and the everyday PDF uploaded assignments in the school website. The Goenkan family at Srinagar reiterated its commitment that these materials are open and can be accessed by the larger student community of the valley. Hence we can proudly present our YouTube Channel (G. D. Goenka Public School Srinagar) with the total visits of 2, 97,211 and our School Website (www.gdgoenkasrinagar.com) with the visits of 23, 30,260.

The first mid semester exams were held in the month of May in the online mode for the first time with objective type of questions. In the Month of August 2020, the first semester exams were held with both objective and descriptive questions. The performance of first semester was discussed with parents in the PTM online.

The second Mid Semester exams were held between 01/10/2020 to 11/10/2020 whereas the annual examinations were conducted from 04/12/2020 to 09/12/2020. The Annual PTM was conducted in school from 04/12/2020 to 09/12/2020. Though the school closed for its winter break on 20/12/2020 all students were given an online bridging course to fill the gaps in the learning throughout the academic year and strengthen the base in each subject.

Teachers reported to school from 01/02/2021 for preparations and trainings for opening school in the new academic year. With the blessings of the Almighty and upholding the Goenkan spirit of STRONGER – HIGHER - BRIGHTER we fought against the odd and the parents, teachers, students and management fought the long period shut down in the valley and continue with this existential fight against the Global Pandemic- Covid 19.
