

# Art Competition-August 2021

## Theme: Pot Painting/ Bottle Painting

*"Every child is an artist. The problem is how to remain an artist once he grows up." Pablo Picasso.*

Art is a natural activity that gives a child the freedom to manipulate different materials in an organic and unstructured way which allows for exploration and experimentation. The artistic endeavours and self-directed explorations are not only fun but educational as well.

Hence we plan to explore the creative potential in the young minds of our children by organising a class-wise painting competition on the 24<sup>th</sup> of August, 2021 with the theme **"Pot Painting / Bottle Painting "** wherein children can showcase their creative skills in painting , colouring and drawing on bottles/ pots.

1. The children will be grouped into three categories:

Category I: Nursery to Grade 2<sup>nd</sup>
