We go to the children's park every Sunday. I go there with my parents and grand parents for a picnic. The park is very beautiful. There are many trees in it. Many birds have their nests on the trees. I like to watch the birds. There are pretty flowers around the green lawns in the park. There is also a sandpit in the park for us to play. I like to play in the sand. My brother and I enjoy making sandcastles. There is also a big pond near the centre of the park. There are geese and ducks swimming in the pond.

Students are instructed to do Part G on English book (Page no 8-9)
