### Connie's Visit to the Zoo

Connie was going to the

She was so happy because the zoo was her favourite place.

When she got there, she went to see the house first.

She loved their playful faces and curly tails. She could watch them for hours.

Her second stop was the giant

She saw very colourful birds. They made so much noise and had such pretty !

After that, she went to the fish big.

at home.

They were so heavy and dangerous looking.

Then, she went to visit the

house.

She really didn't like things with scales. They were kind of gross but also interesting! She cringed when she saw the snakes and their slimy tongues!

Finally, she went to the safari area. She rolled
