G.D Goenka Public School Srinagar

My teacher is the best
The best that ever was
My teacher is the best
And I love her just
because
She teaches me to read
She teaches me to write

G.D Goenka Public School Srinagar

My teacher is the best
The best that ever was.
My teacher is the best
And I love her just
because
She teaches us to be
kind and always to play
fair.

G.D Goenka Public School Srinagar

My teacher is the best
The best that ever was
My teacher is the best
and I love her just
because she teaches us
art and activities.

G.D Goenka Public School Srinagar

My teacher is the best
The best that ever was
My teacher is the best
and I love her just
because she teaches us
singing and tells us
stories.
