ACTIVITY :Stringing beads:

OBJECTIVE OF THE ACTIVITY:

- Fine motor skill development
- Learning by visualization
- Spatial and temporal skill development
- Eye hand coordination

MATERIAL REQUIRED:

1. Beads
2. Yarn or thread

Let's get started:

Take a yarn and tie a knot on one end of the yarn.

Like this

Now carefully one by one hold the bead with one hand and push beads through the hole.

Now thread the first bead to the string and start pulling it all the way to the knotted end like this:

Similarly start stringing 2 beads, 3 beads, 4beads.....and so on like this:

Now at last count the beads

1,2,3,4,5,6,7

Finally we are done with stringing beads activity.

Thank you.....
