Subject: English grammar

Topic : “Homes in Trees” & “ Hard and soft th”(Revision)

Week 9:Day 5 Friday (Date:24-09-2021)

Objectives: By the end of this topic, students will be able to:

- ★ Improve their vocabulary and reading skills.
- ★ Know the importance of trees and how they provide shelter to many birds and animals.
- ★ Differentiate between the hard and soft sound of “th”.

Summary: The chapter, “Homes in Trees” is about a big tree that lives in a field and many of its friends who take shelter in it. In this tree there is a nest of a little bird. In that nest there are three little nestlings. They are chirping and looking at their mother. There is also a beehive in this tree. The bees store honey in it. There is one more nest on the other branch of this tree in which a mother squirrel lives with her babies. The spiders have made silky cobwebs on the thin branches of this tree. This tree is the home for many animals and birds.
