Topic: Homophones

Week 08: Day 04

Date: 16-09-2021

Note: This pdf is not to be printed.

Objectives: By the end of this topic, students will be able to:

- define homophones
- identify homophone as a words with the same pronunciation, but different meaning.
- Use homophone in sentences of their own.

Homophones: A homophone can be defined as a word that, when pronounced, seems similar to another word, but has a different spelling and meaning. For example, the words “bear” and “bare” are similar in pronunciation, but are different in spelling as well as in meaning.
