Topic:-Finding similarity among objects.

**Revision:**

Dear children let's try to find the similarity in this picture

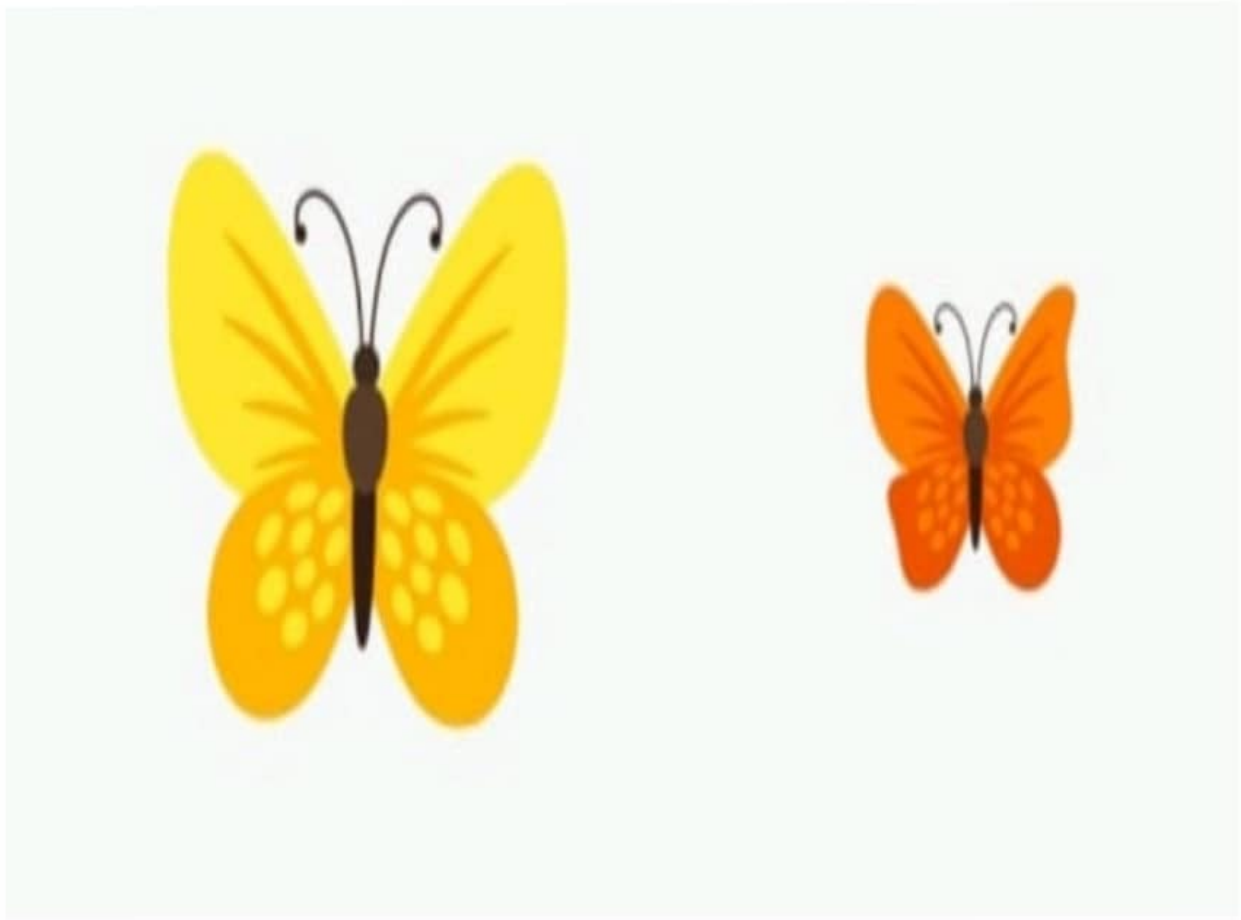

- The colour of the shirt.
- All are moving in the same direction.
- The Bags.

Can you point out the differences?

What can you find similar in these two Butterflies?

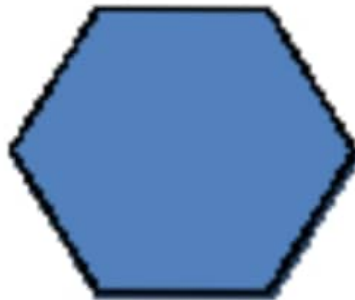

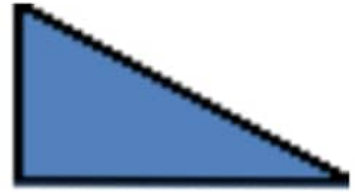

- Both have same pattern of design on wings.

Tell me the differences?

Find the similarity:

- All are shapes.
- All shape have blue colour.

Let's find the similarity between Mommy and the Girl:

- Mommy and Girl have same dress colour.
- Same hair colour as well.

Dear Goenkans, what is different between Mommy and the girl?

Can you tell me what is common among these balls?

- All are used for outdoor play.

Point out the differences
