Subject: EVS

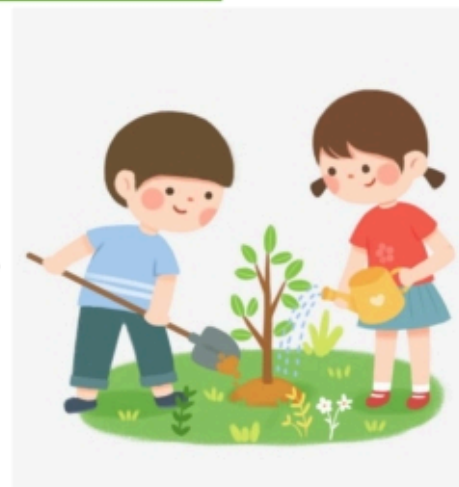

Topic: Conservation of plants

Grade: KG

Dated:30.09.2021

Forest conservation is the practice of planting and maintaining forested areas.

G.D Goenka Public School Srinagar

We should not cut trees because it causes loss of animal habitat and disturbs the ecosystem.

G.D Goenka Public School Srinagar

We should preserve forests for the benefit and sustainability of future generations.

G.D Goenka Public School Srinagar

Van Mahotsav: week is celebrated from 1 July to 7 July to spread awareness of forest conservation and to save the environment.
