**Unity reveals its meaning itself; it reveals the togetherness of people.**

Greetings!

Unity is important because nature wants us to unite. By uniting, we enter into balance with nature and awaken a positive force dwelling in nature to surface among us. Unity in Diversity is very important for a country because it is very easy to disintegrate people with different views and ideologies. It is a vital key to create and maintain lasting peace and harmony; unity helps to promote the important notion of living peacefully together or side by side. Unity grows when we serve together in peace, teach each other, and encourage one another.

Grade-3 is organizing an event **"Rashtriya Ekta Diwas"** where students will be provided an opportunity to talk about the importance of being united.

With great pleasure, we invite Grade-3 Goenkans to join us virtually on 1st November from 11:50 AM to 12:45 PM and let us celebrate the unity of togetherness.

Thank you!

Regards,

Coordinator
