

G.D.GOENKA PUBLIC SCHOOL, SRINAGAR

Dated: 25-09-2021

Activity: Toothpick punch

Objectives of the Activity :

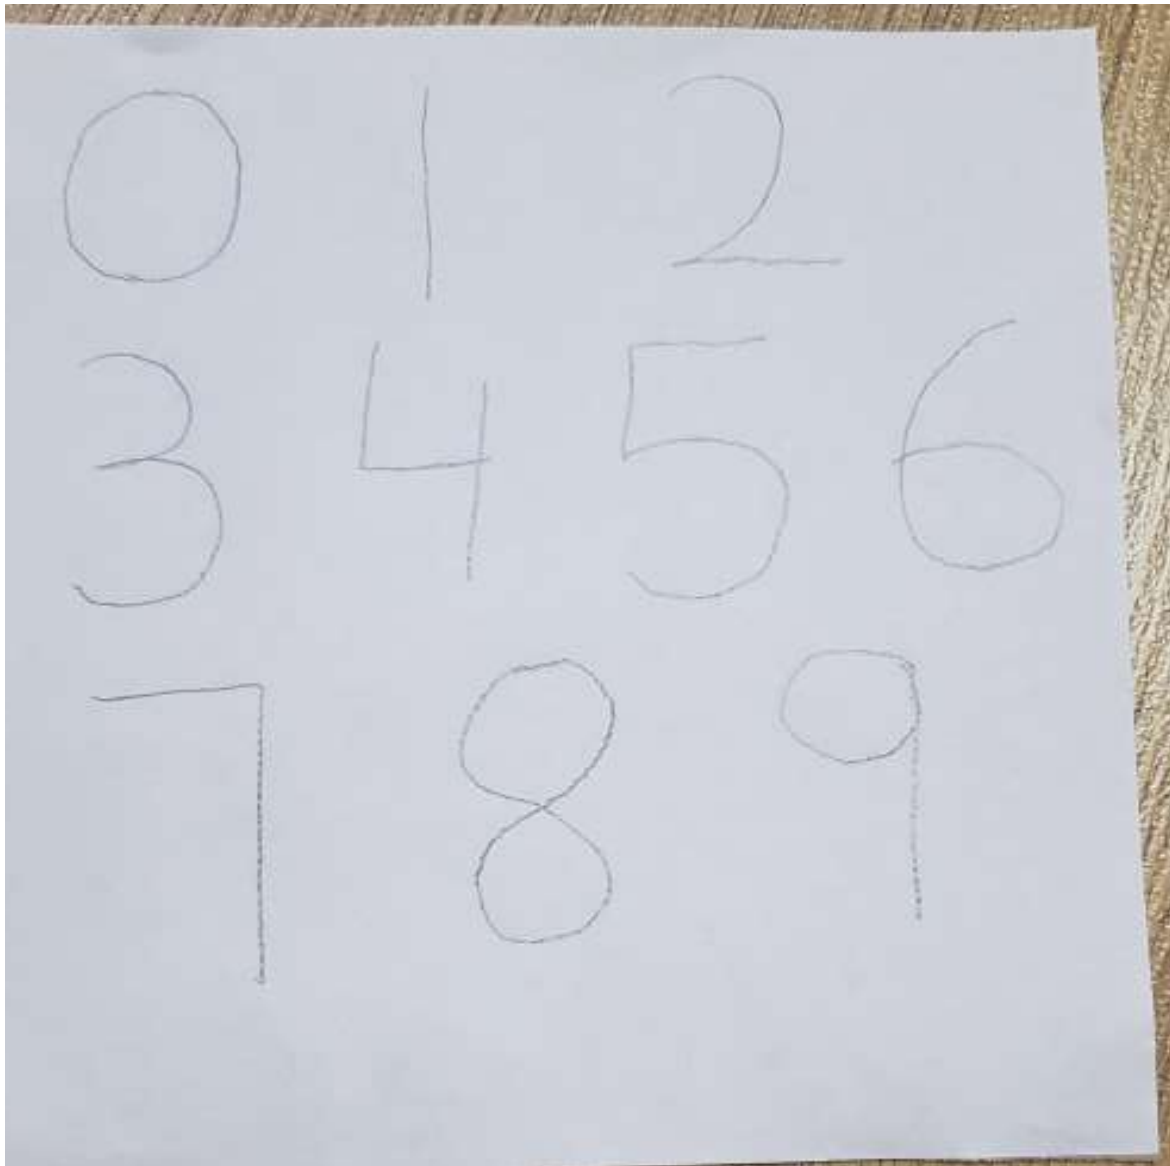

- Fine Motor Skill development
- Eye-Hand Coordination
- Recognition of Numbers (0-9)
- Spatial and temporal skill development
- Builds concentration skills

MATERIAL REQUIRED:

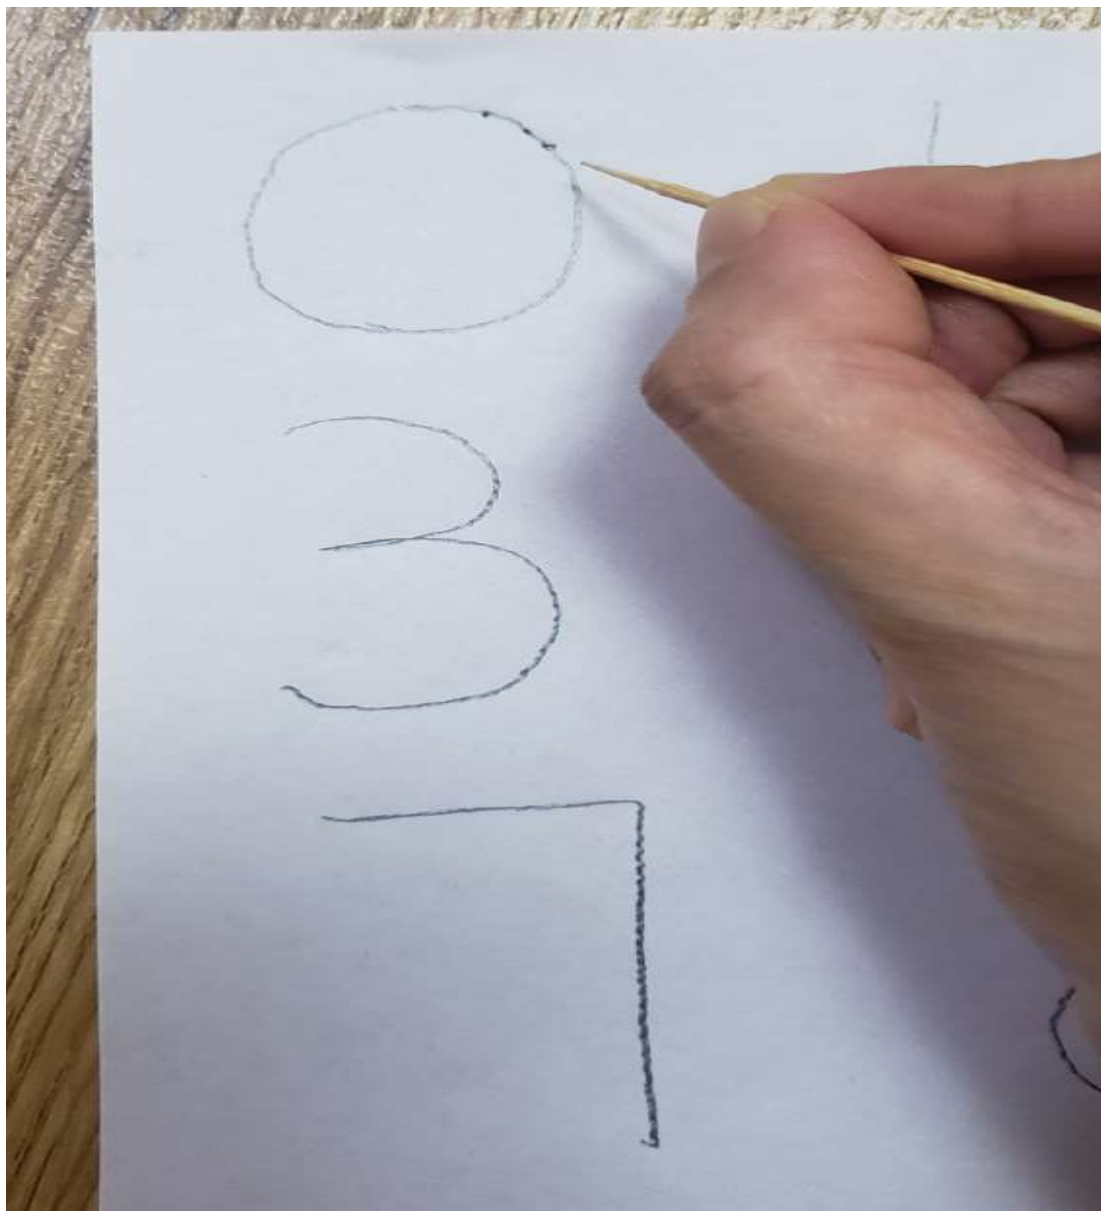

1. Scrapbook
2. Pencil
3. Eraser
4. Plain Paper
5. Tooth pick

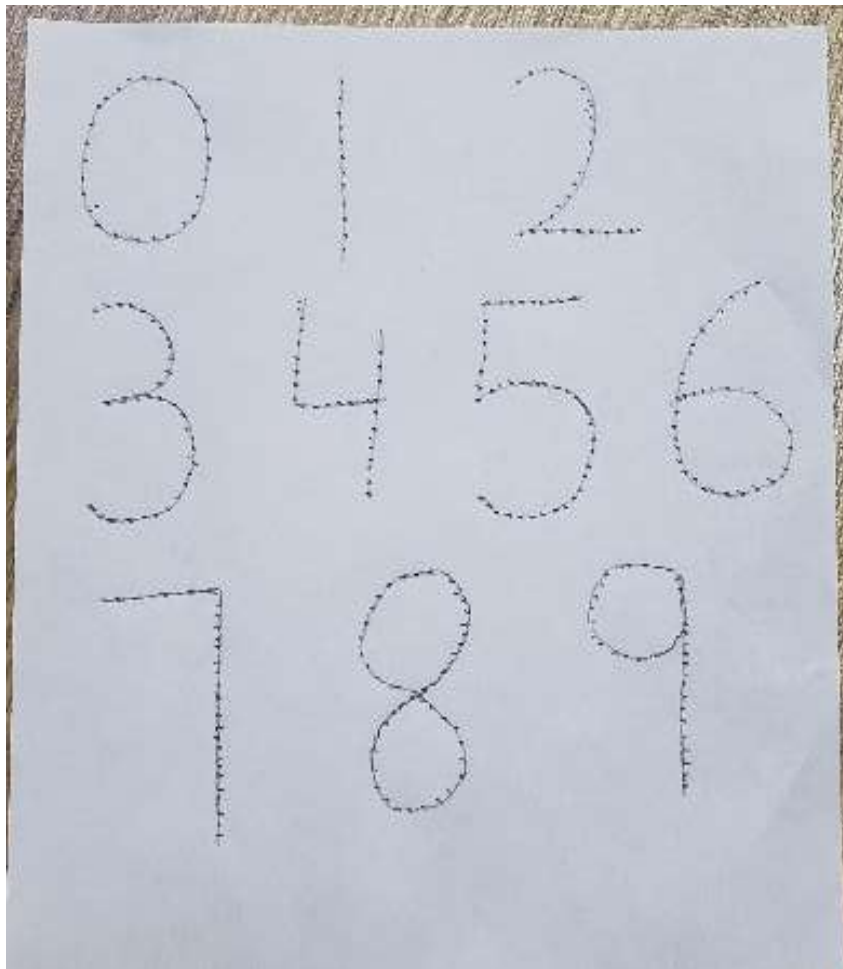

Take a plain paper and write numbers 0 to 9 on it.

Punch holes along the boundaries of the numbers with the help of tooth pick as shown in the picture.

Final picture will be like this.

Now paste the activity on your scrapbooks.
