## Topic:-Means of Transport

Dear kids, Do you know Means of transport are very important in our lives. If there were no Means of transport how would we go somewhere or how would we transfer the goods?

There are mainly three means of transport:Land Transport, Air transport and water transport.

Land transport:- It's a means of transportation that moves on land.

Air transport:- It's a means of transportation that moves in the air.

Water transport:- It's a means of transportation that moves on water.
