B. Answer the Following:

Q no.1. What are the various selection tools in MS Paint? Name Them?

Ans 1: Ms Paint provides us two types of selection tools:-

- Rectangular Selection Tool
- Free-Form Selection Tool

Q no.2. State the difference between Opaque and Transparent Option?

Ans 2: In MS Paint, by default the background colour of a text box is transparent.. We can change it to opaque by clicking on opaque button present in the background group.

On selecting the Transparent option, only the text colour will be the same in the text box as is selected in "color1" box. The background colour of the text box will be transparent.
