Q2. Identify the rhyme scheme of the below given stanza.

It keeps me with my friends in touch;

No journey now appears too much

To make with meetings at the end;

It gives me time to be a friend.

It laughs at distance, and has power

To lengthen every fleeting hour.

It bears me into country new

That otherwise I'd never view.

Q3. What are the negative impacts of automobile on the environment and how can we minimise it?
