## Children Party!

Greetings!!

**"Children are budding stars, the more you embrace them, the more they shine!"**

Happy Children's Day!

Children's day in India is celebrated on November 14 every year. It speaks of children's rights, care and education apart from the tribute it offers to Pandit Jawaharlal Nehru. Fondly addressed as Chacha Nehru by children, he was a supporter of children's education, always looking for ways to ensure they receive a fulfilled life in terms of academics, and considered children the real strength of a nation and foundation of society. This day is a reflection of his love and fondness for kids. The day is a reminder that every child deserves education, nurturing and the best of everything. Children are the building blocks of a nation. Moreover, the essence of Children's Day also lies in not differentiating between a girl and a boy child.

Grade 3 is celebrating "Children's Day" to express our love and affection for these tender hearts.

With great pleasure, we invite Grade 3 Goenkans to join us virtually on November 14, 2021, from 12:30 pm to 1:30 pm and let us together enjoy the happiness and innocence of our children.

Thank you!

Regards,

Coordinator
