3. Flip means to rotate the selected picture horizontally or Vertically. **True**
4. Zoom Slider option is available on the Title bar. **False**
5. Redo command is used to reverse the effect of Undo Command. **True**

C. Application Based Questions:

1. Kirti has drawn a Pink car in Paint. She wants to draw two more cars of the same layout.Suggest her the appropriate option to do the same.

Ans: (Copy & Paste) option.

She has to Select the Drawing (Pink Car) first by using the select tool then she has to select the copy command which is on the home tab and finally she has to click on the paste command which is in the clipboard group on the Home Tab . A duplicate copy of the Pink car will appear on the top left corner of the drawing area.

2. Parul has drawn a beautiful scenery depicting a Sunny day but by mistake she drew a few stars in it. Which tool can she use to remove these stars?

Ans: Cut Tool.
