BEST OF THE FEST

Greetings!!

“Food brings people together on many different levels. It’s nourishment of the soul and body; it’s truly love.”

The scent of the warm, wind air carries with it winds of memories – homemade pickles, wazwan, jams and a hundred other recipes of love. Food is good; we can all agree on that. But what’s better than just uploading sensual photos of delicious food is having them decorated in front of you and sliding it inside your tummies! Good food never fails in bringing people together. The food that is shared is happiness multiplied. And remember, when you eat food with your family and friends, it always tastes better!

We at G. D. Goenka see the Food Festival as a great occasion to go exploring in search of flavors unknown and smells fresh and sweet

Grade 3 is celebrating “Food Festival” with this tradition of blending every natural product into a delicacy.

With great pleasure, we invite Grade 3 Goenkans to join us virtually on November 6, 2021, from 12:30 pm to 1:30 pm and to experiment and think beyond for this event.

Let’s all get eggcited to eat!

Thank you!

Regards,

Coordinator
