Urdu Day

Urdu Day has traditionally been celebrated on November 9, the birth anniversary of poet Allama Iqbal. In our practical and daily life we do not show the same sincerity and dynamism in protecting and promoting Urdu language like we show for foreign language. Hence there is great need to put our love for Urdu into practice. New generations disgust and chagrin with Urdu script is also one of the main reasons for the decline and deterioration of Urdu. We must have the feeling in ourselves that the means of livelihood of our children may or may not be Urdu but we must teach Urdu to our children and we must adopt it in our daily life within and outside our family and environs. Only in this way we can keep alive and promote Urdu.

Kindergarten (Nursery & KG) is organising Urdu Day on 9th November, the main idea behind this day is to make kids comfortable with the language, medium of instruction will be Urdu only.
