CREATIVE WRITING WORKSHOP – 2022

Dear parents – Greetings!

Creative writing can be beneficial in a child's curricular activities at school, such as group writing classes or other writing workshops appropriate for his or her age group. In this line, during the winter, we at G. D. Goenka Srinagar will be holding a 3 day workshop on writing short stories. The aim is to help our students grow their love of writing, allowing them to become successful authors or professionals in related fields in future. The program's primary goal is to:

1. improve, both language and use of conventions for creative writing.
2. use of organizational strategies to develop an original short story.
3. understand and implement the basic elements of a short story in their creative writing.
