## School Re-opening Plan -2022-23

**Ensuing to G.O No 15-JK(DMRR) of 2022 of dated 13/02/2022 and G.O.No72- JK(Edu of 2022 dated 16.02.2022 of the Government of the Union Territory of Jammu and Kashmir for the reopening of the schools in the Union Territory of J&K with the following conditions and instructions:**

In continuing with our efforts to start physical classes in the school, we are pleased to announce that the school will reopen from 28<sup>th</sup> February, 2022. We understand the importance of returning to school for our children's education, and we will make certain that all students can do so safely. We are committed to assisting our children in returning to school and providing the high-quality curriculum, co-curricular, and extra-curricular programmes that distinguish the Goenkan education. While the probability of children being seriously ill as a result of coronavirus is low, we will continue to maintain social distancing and infection control measures based on the results of the essential risk assessments, to keep all members of our school community safe.

### **COVID APPROPRIATE BEHAVIOR POLICY OF THE SCHOOL (CAB).**

Students aged 15 and older will be permitted to attend classes only after submitting a vaccination report. Students of all the above mentioned classes shall only be permitted to attend physical lessons after the submission of ***NO OBJECTION/CONSENT LETTER*** by the parents of the student in the format uploaded on website. The consent forms must be submitted in the school on the day of joining. No student shall be permitted to attend physical lessons without the written consent of the parents.

- All students attending physical lessons must be in full winter school uniform.
- The maximum strength per section will be such that the physical distance can be ensured.
- Children are advised to have their dry snacks and a lunch to be brought with them.

### **Arrival & Dispersal**

- All students, whether they arrive with their parents/guardians or on their own, will be received at the main gate. No entry of any vehicle or parents/guardians will be permitted beyond the Main Gate during reporting and leaving time.
- Parents will not be allowed to enter the campus beyond the Main Gate during reporting and leaving time.
- Parents who drop their children at school on their own are advised to follow the assigned timings only to reduce the traffic congestion in front of the school.
- The duly filled 'Declaration by Parent' will be collected from the accompanying parent/guardian/student.
- Parents will ensure that they are wearing mask and sanitize their hands.
- Students will sanitize their hands as they enter the main gate.
- While entering and leaving the school, all of the school's gates will be opened for students.
- Classrooms near the gates and stairs will use the gates and steps closest to them.
- Different lanes will be designated for entering and exiting.

- Staff will be stationed at various locations to ensure that pupils maintain correct social distance and discipline when entering and exiting the school.
- As limited number of students shall attend in each shift, they must line up before the commencement of lessons, with supervised social distancing and for compulsory thermal scanning. If there is any indication of raised temperature, the student shall be immediately segregated and the parents shall be informed to take their ward home immediately. The student shall not be permitted to return for physical classes until a negative test report for COVID -19 is submitted by the designated authority.

## **IMPORTANT INFORMATION FOR PARENTS.**

Please do not send your child to school if they have:

- Fever
- Body discomfort
- Cough
- Respiratory illness
- Loose motion
- If any family member is experiencing COVID-19-related symptoms or is currently positive for COVID-19.

Although the pandemic continues to be a part of our lives, we are in a much better place than we were a year ago. We all know that health is the prime priority in these testing times and all of us are working towards keeping our kids safe and healthy. Getting a vaccine, wearing a mask, and maintaining social distancing remain our best means of protection. In order to minimize the health hazards, we would appreciate the parental cooperation in making our efforts possible by counseling the children regarding the COVID-19 SOP's to be followed within the school premises as well as outside.
