

Theme: Drug Addiction Control and Prevention.

Week III-IV (29-03-2022 TO 3-04-2022)

“It is better to debate a question without settling it

Than to settle a question without debating it.”

Joseph Joubert

Educational research has verified that the benefits that accrue as a result of engaging in the debates are innumerable. Debate allows for life-changing cognitive and presentational abilities to be developed in the students. In light of its multiple benefits, the government of Jammu and Kashmir office of the Chief Education, Srinagar has organized a debate competition as a part of an awareness program for **the Control and Prevention of Drug Addiction** in the district of Srinagar and encourages all students to come forward and participate in the event.

Topic: "Drug Addiction Control and Prevention" (Grades 8 and 9)

The concerned homerooms are instructed to nominate a student for the Zonal Debate competition, which will take place on 30th March 2022.
