Dear Parents,

Greetings!

Technology plays an important role in our daily lives and when considering its contribution to economic growth, National Technology Day becomes crucial. Keeping this in view, we at G.D. Goenka Public School are involving our young innovators in this process of nation-building by assigning them projects based on computers to be exhibited on National Technology Day, 12th May 2022. Students are encouraged to come up with innovative models for the same as has been already briefed.

Regards

Coordinator - Grade-6
