Gratitude Jar

Gratitude is one of the many positive emotions. It's about appreciating what is good in our lives and being thankful for the same. Gratitude is to appreciate all those things that we often take for granted, like having a place to live, food, clean water, friends, family, and even access to the gadgets.

It's taking a moment to reflect on how fortunate we are when something good happens — whether it's a small thing or a big thing.

In this regard Grade, 5 of GD Goenka Public school is conducting an activity of making a Gratitude jar.

Gratitude Jars are fun, artistic, and hands-on way for children to practice. In this activity, each child will create a special jar where they save gratitude statements at the end of the day.

English Week-2022

English week (6th-7th-9th May, 2022)

G.D Goenka Public School hosted a "English Week" event from April 30 to May 6 to help students improve their language skills. The goal was to encourage language abilities including listening, speaking, reading, and writing. Our learners' speech was developed through the enrichment and fun-filled activities provided by this festival, which allowed them to improve their articulation, pronunciation, enunciation, intonation, spellings, grammar, syntax, and other oral abilities. The goal was to emphasize the importance of students' listening, speaking, and effective communication skills. To encourage kids to use a variety of terminology. To prepare youngsters to speak in front of groups of people. To assist them in gaining confidence.

As a step towards development of language proficiency, Grade 5, G D Goenka Public School is organising an "English week" festival from April 30 till May 6. The aim is to promote language skills such as Listening, Speaking, Reading and Writing. The enrichment and fun-filled activities through this festival helps our learners develop their speech and provides opportunities for them to improve their articulation, pronunciation, enunciation, intonation, spellings, grammar, syntax etc, thereby enhancing their oral skills. The description of activities is as follows: Show and Tell: Objective: To place an emphasis on student's listening skills, speaking skills and effective communication. To help students use different types of vocabulary. To set the stage for children to become public speakers. To help them build their confidence. .
