Educational Tour to Dachigam National Park-Grade 1 2022

"IN A WORLD OF CONSTANT CHANGE AND STREAMING
TECHNOLOGY, I FIND SOLACE IN THE FOREST
WHERE A TREE REMAINS A TREE "

Warm Greetings!

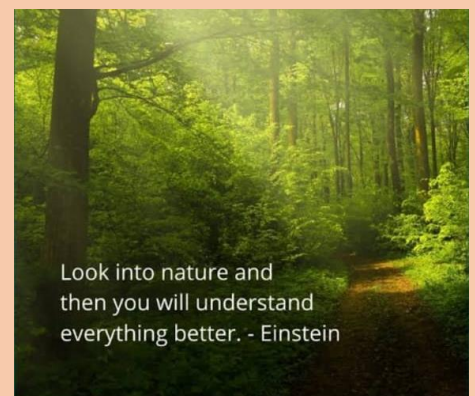

Grade 1 had an Educational Tour to Dachigam National Park on 27th October 2022, Thursday

Aims and Objectives

- The main objective of this Educational Tour was to explore different types of plants and animals.
- To describe the purpose of a National Park as a part of our Kashmiri Heritage
- To identify and describe the different habitats that animals live in.

Visiting to Dachigam was breath taking for all the little scholars. They were full of enthusiasm and excitement for the same. An understanding of the natural world and what's in it is a source of not only a great curiosity but great fulfilment as well. The scholars had the opportunity to observe and explore many things like exotic wildlife, rare plants etc.

Educational tours apart from building academic capability aims at building life skills such as team work, communication, problem solving skills and decision making that are only obtained through life experiences, building cultural understanding and tolerance, explore them to the world outside, of their own.

SCHOLARS VISITED HEALTH CARE CENTRE CUM DIAGNOSTIC LAB

HEALTH CARE CENTRE CUM DIAGNOSTIC LAB

Dachigam National Park processes a beautiful landscape that affects you spiritually and the entire area gives a feeling of peace and serenity

The children got an opportunity to visit the museum situated in one of the sections of Dachigam National Park which has a collection of preserved animal, specimens and skeletons of animals for study and reference.

A brief information about the habitat and the behaviour of reputed animals like Bear, Hangul and leopard cat was shared by Dr Umar Nazir.

GRADE 1 SCHOLARS VISITED FISHERY DEPARTMENT IN DACHIGAM NATIONAL PARK

FISHERY DEPARTMENT AT DACHIGAM NATIONAL PARK

To promote pisciculture in J&K a Trout Fish rearing unit (with one lakh seed) capacity has been set up in Dachigam National Park by the fishery department. Children were excited while seeing the fish farms. They enjoyed a lot during the whole visit to Dachigam National Park.

...

Grade 1 scholars visited Dachigam National Park on 27th October 2022, Thursday. The main purpose of this educational tour was to make students aware about the different types of plants and animals. The sunny weather was resonating well with our enthusiasm and energy. The day's activity began with exploring the captivated animals like leopards and black bear, which excited our little Goenkans. The students there also visited Wild Animal Health Care Centre cum Diagnostic lab. Students there identified the different habitats that animals live in. Students also visited fishery department. Over all the students enjoyed their educational tour and explored different types of Flora and Fauna.

VOTE OF THANKS

As a representative of our Grade 1 Team GD Goenka Srinagar, it is my prerogative to put forward the vote of thanks to our Dignified Management, Honourable Principal Sir (Mr. Johnson P.J) and Decorous Director HR (Mr. Adil Zargar Sir) for always acting as a backbone and dispensing us with such an opportunity and platform that was really of immense help for our little scholars to built and enhance the scientific temperament, general awareness, group discussion, acquiring knowledge, creativity and critical thinking

Our Sincere Thanks to

School Administration -Madam Catherine

Photography Department -Mr.Fayaz Kabli

Music Department In-charge- Ms.Shazia

Mr Rajinder, Mr Furqaan.

Sports Department In-charge - Mr Firdous

Ms. Nayeema, Ms. Tabassum.

Medical Department, Transport Department Ground Staff for making our tour a successful and an enjoyable one.

Our Special "Vote of Thanks" to the In-charge Wildlife Protection J&K Central Division, Dr Umar Nazir (In-charge Wild Animal Health Care Centre and Diagnostic lab) and Dr Irshad for providing us the necessary assistance and help, in fact for the information and briefing about the animal care and welfare.

Warm Regards

Mrs. Shabeena Suhail

Coordinator Grade 1

"Tranquillity, serenity and beauty of nature teaches me how to find happiness in life and in the silence of eternity."

"The richness I achieve comes from nature, the source of my inspiration".
