Subject: Computer

Winter Assignment (2022-23)

Instructions:

1. The assignment contains two sections- **Application Based** and **Theory Based**, of which both are compulsory.
2. In **Application Based Questions**, create the given presentations and excel sheets, and for the Theory Based Questions, create the .docx file and save all of them in a single folder
3. Once all the questions are saved, send all the files in one attachment on the e-mail id: sabiahafiz.999@gmail.com
4. **Create a .docx File for Theory based Questions and forward it to the concerned teacher.**
5. 5 marks will be deducted for late submissions.

Application based Questions:

- Q1.** Create a Bar Chart illustrating the Score board of Cricket World Cup 2022. Provide a Title, Sub-title, X-axis and Y-axis titles to the chart and apply a background to the plot area and chart area using different formatting features.
- Q2.** Create a presentation with 15 slides on your Favourite Television Character (Anime Character, Sports person, Singer, Actor, etc.). The presentation should depict all the attributes of the character. Apply various transition effects to your presentation and make it attractive.

OR

Create a presentation on "FIFA World Cup 2022 or Cricket World Cup 2022". Take the help of the internet to gather the facts and images about it. You can use Search Engines like Google and Bing.

- Q3.** Make a poster in MS Word on the topic "The core Skills of a Successful Entrepreneur". (Apply formatting features to make the poster attractive).

Theory Based Questions

- Q1.** Revise the chapter "Perspectives in Communication" and Comment on the statement "Our Beliefs form a vicious Cycle". Support your answer with multiple examples
- Q2.** Read the chapter "Building Self-Confidence" and write a brief description about the role parental attitude play in building one's self-confidence?
- Q3.** Collect the information about the Digital India Initiatives taken by the Government of India and write a brief description of it.
- Q4.** Revise the chapter "introduction to Internet", and Make a list of URLs (10 each) of e-commerce, Education, Social- Networking and News Websites
- Q5. Write the answer in just one word.**
- a) Hydra wants to share some pictures of his holidays in Shimla with his uncle who lives in Canada through a computer. Which input device should he use? _____
 - b) Suppose you have assembled a computer for the first time. After assembling all the parts successfully, which will be the first software to be installed into the computer? _____
 - c) Everyday Goods supermarket uses an input device to sense and read the black stripes present on the items for billing purposes, which device is it? _____
 - d) While working on Windows, Barqa has accidentally deleted some files from her computer. Can they be retrieved? If yes, where should she find them? _____
