

All the work needs to be done on the loose sheets, and it is completely optional.

Dear Children, Vacation is a time when you connect with your friends, family members, and relatives. So, all of you —

“FIX A GOAL AND STRIVE HARD EACH DAY TO ACHIEVE IT!”

“Here are a few tips for you to follow:

1. Read regularly to inculcate the reading habit. Use books with attractive illustrations and follow the basic rules of reading like using the index finger to trace the words from left to right while reading with expressions, voice modulation, pauses etc. You will learn new words; it will help you to enhance your vocabulary.

2. Assign a permanent workplace and work time. This will bring discipline to your life.

2. Inculcate good manners— 4 magic words — “Please, thank you, excuse me, sorry” – Use them and see the difference.

3. Help your elders to keep the house clean. Do small household jobs like dusting, watering the plants, laying the table, and so on.....

4. Listen to stories from family members and try to narrate them.

5. Plan a daily routine for yourself and your family members. Pen down and follow it. Spend quality time with your parents.

6. Last but not least— “Always speak in English with your family members and friends.” Compile all the worksheets in a handcrafted folder.

Here’s wishing you all Happy Holidays.

“Winter Wonderland Math.”

Objective: Enhance understanding of arithmetic operations through creative art-based activities with a winter theme.

Instructions:

Students will complete the following tasks using their knowledge of the four operations. Encourage them to use creative materials like colored paper, cotton, markers, and glitter to decorate their work.

Activities:

1. Snowflake Addition

Draw or cut out 5 large snowflakes.

Write an addition problem on each snowflake (e.g., $5 + 7 = \underline{\quad}$).

Solve the problems and decorate each snowflake with glitter and numbers.

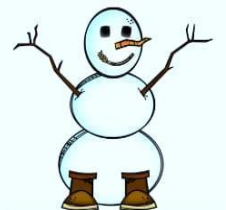

2. Snowman Subtraction

Create a snowman using three circles.

Write subtraction problems on the snowman's body (e.g., $15 - 8 = \underline{\quad}$).

Solve and color the snowman using crayons or markers.

Build a Snowman
Subtraction

3. Hot Chocolate Multiplication

Draw mugs of hot chocolate. Each mug represents a multiplication problem.

Example: 3 marshmallows in 4 mugs ($3 \times 4 = \underline{\quad}$).

Illustrate the mugs and marshmallows to show the total.

4. Ice Skating Division

Draw ice skaters in groups.

Write division problems based on the groups.

Example: 12 skaters divided into 4 groups ($12 \div 4 = \underline{\quad}$).

Show the division visually by grouping the skaters.

1. GRAPHIC GRAMMAR

DIRECTIONS: CIRCLE AND WRITE EACH WORD IN THE CORRECT COLUMN.

globe kind bake PLUMP lion
whisper bad they fix run
I desk you sit
sky pretty we smart
sleep pencil it
good he eat turkey cold she LOOK

<u>NOUNS</u>	<u>VERBS</u>	<u>PRONOUNS</u>

Vocabulary Hanging

Cut a big circle on an A3 Sheet write a big word on it. For example HAPPINESS and illustrate it. Now make as many small words as you can from the letters of the big word for example pin, spin etc. And write each word on small decorative cut outs of any Shapes from another A4 sheet attach these cut outs to the big circle using satin ribbon. You can use your Creativity to make a Vocabulary hanging attractive.

3. Read any short story of your choice. Draw its main character and do the storymapping of the same.

Vase from Bottle Idea

EVS

Turn those cold drinks or water bottles into pretty vases and make your home go green, in more ways than one!

What waste do you need?

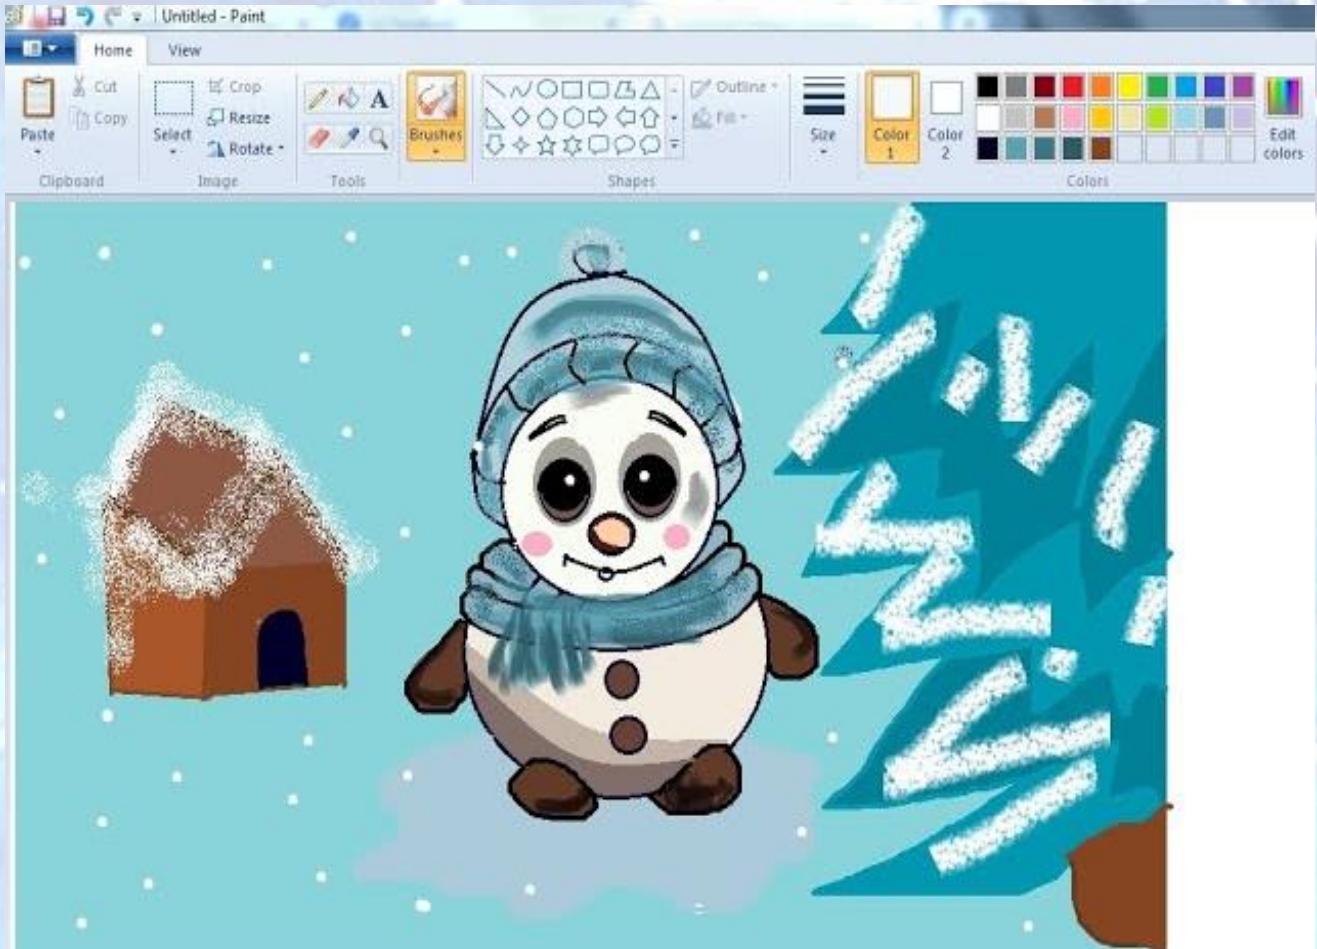

- Glass or plastic bottle.
- Paint
- Paintbrush
- Masking tape (optional)

What to do out of these:

1. Wash the bottle to clean it and remove the label.
2. Paint the bottle in a colour of your choice.
3. Once the paint dries, top it up with another coat of paint, so the color is opaque enough.
4. You can also use masking tape to make patterns on the bottles.
5. Before painting, use the tape to make the design you want.
6. When you remove the tape after spray-painting the bottle, that part will still be transparent and will look lovely.
7. Add a flower, and your bottle vase is ready to add to your living room!

Computer

Draw a beautiful snow man by using different tools of MS paint on your computer.

Write the full-form of the following:

1. LCD _____

2. IPO _____

3. CPU _____

4. ALU _____

Hindi
