## SUMMER TIME

Summer is a fantastic season! The weather is hot, and the days are long. Many children have a break from school and can spend more time playing outside.

They can visit the beach, build sandcastles, and enjoy the sunny weather. Some families travel to new places or visit their relatives during the summer.

People love to eat ice cream, have picnics in the park, and enjoy barbecues with friends and family. During summer, many people enjoy swimming in pools, lakes, or the ocean. It's also a great time to play sports like soccer, baseball, or tennis. Some children attend summer camps where they can make new friends, learn new things, and try different activities like hiking and canoeing. Summer is a great time to relax, have fun, and create happy memories with loved ones!
