

Thrive. For Life.

## **Guidelines for Parents!**

**Dear Parents,**

**We wish you and your child a joyful and relaxing winter vacation. This is a wonderful time to enjoy special moments together as a family.**

**The winter learning pack has been created to help children improve their pincer grip and fine motor skills in a fun way.**

- Kindly encourage your child to complete the activities at their own pace.**
- Avoid pressuring your child to finish the winter learning pack.**
- Gently motivate your child and make the activities an enjoyable part of their day.**
- Set aside a quiet and comfortable space where your child can concentrate on their work.**
- Praise their efforts regularly to build confidence and a positive attitude towards learning.**
- Take short breaks during activities to keep your child refreshed and interested.**
- Use this time for playful learning and bonding—simple conversations, storytelling, or drawing together.**
- If your child finds any task challenging, feel free to pause and try again later.**

**We hope you have a happy holiday season and create beautiful memories with your little one!**

**Warm regards,**

## ★ Trace the standing lines.

## ★ Help the butterfly reach the flower.

★ Trace the line to connect the fruits.

★ Follow the lines in each apple.

★ Colour the pictures.

**Dip your index finger in paint and  
make dots on the picture.**
