# **WINTER LEARNING PACK FOR NURSERY PROMOTED TO LKG Session 2025-2026**

**Thrive. For Life.**

**Guidelines for Parents**

Dear Parents,

We wish you and your child a joyful and relaxing winter vacation. This is a wonderful time to enjoy special moments together as a family.

The winter learning pack has been created to help children improve their pencil grip and fine motor skills in a fun way.

- Kindly encourage your child to complete the activities at their own pace.
- Avoid pressuring your child to finish the winter learning pack.
- Gently motivate your child and make the activities an enjoyable part of their day.
- Set aside a quiet and comfortable space where your child can concentrate on their work.
- Praise their efforts regularly to build confidence and a positive attitude towards learning.
- Take short breaks during activities to keep your child refreshed and interested.
- Use this time for playful learning and bonding—simple conversations, storytelling, or drawing together.
- If your child finds any task challenging, feel free to pause and try again later.

We hope you have a happy holiday season and create beautiful memories with your little one!

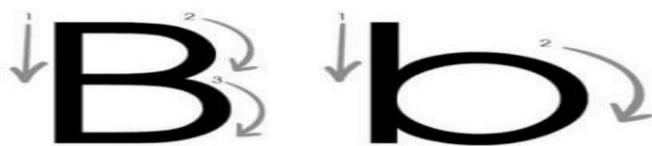

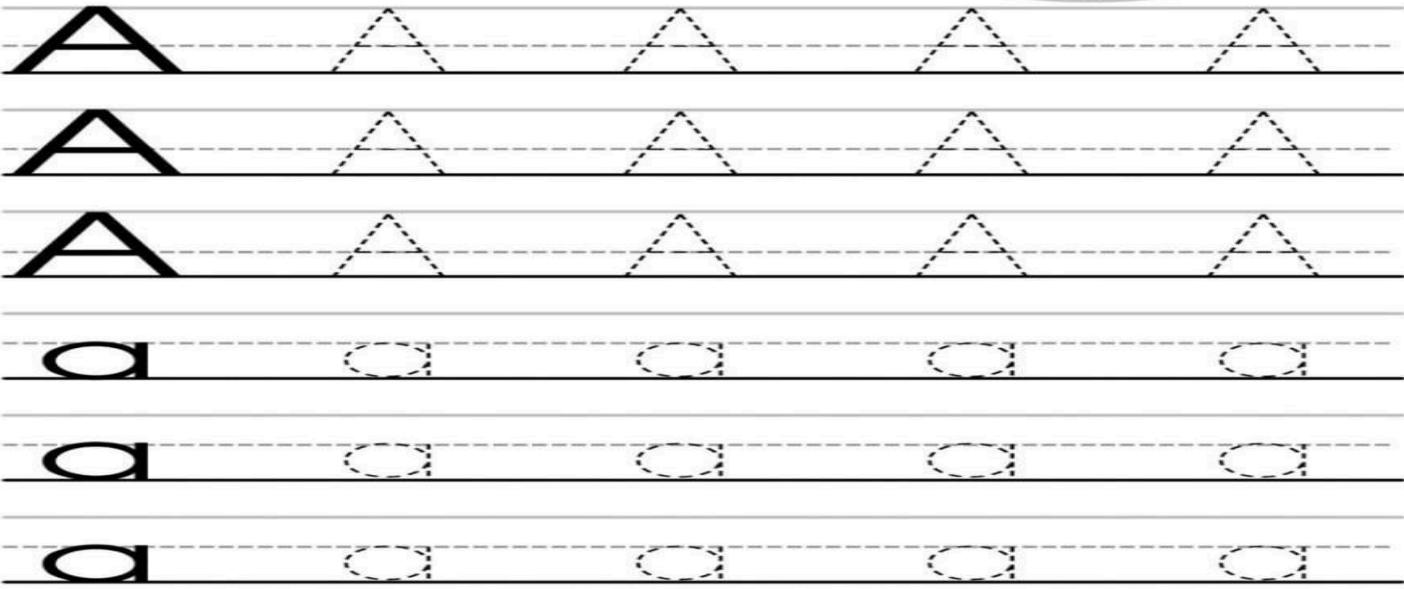

Warm regards,

Thrive. For Life.
